

## **Carroll Community Bank Branch Updated Hours – including Lobby re-opening**

Carroll Community Bank will be re-opening our lobbies in Eldersburg and Westminster on June 15th. Our Bethesda office will remain under the current plan of appointment only visits. While we cannot wait to see you in person, we still encourage drive-thru usage for your daily transactions should you visit our branch.

**Our hours will be our regular standard hours and we will be following these protocols for lobby visits:**

- **Maximum of 5 customers in our lobby.** We encourage only the person conducting the transaction to visit our lobby due to the occupancy maximum.
- **Face masks properly worn are mandatory.** We will have face masks should you forget yours.
- There will be **social distancing markers** at each branch location to maintain 6' distance.
- We would like to encourage any person needing to see a Market Manager or other branch staff to discuss your accounts to call ahead for an appointment.
- All teller stations and account servicing desks will have sneeze-guards in place for your protection. In addition, there will be someone constantly disinfecting contact areas throughout the day.
- We would also encourage you to continue using our drive-thru service, ATM, mobile or online banking for regular daily transactions.

Feel free to contact us at [customerservice@carrollcobank.com](mailto:customerservice@carrollcobank.com) or at 1-866-293-1968 with any questions.

In addition to your financial health, your health and well-being and that of our colleagues remains our highest priority. We will continue to monitor State of Maryland updates. These are unprecedented times and everyone at Carroll Community Bank appreciates your support!
